

# Investing for Success

**Under this agreement for 2022  
Greenlands State School will receive**

**\$50,800.00\***

## This funding will be used to

- Review current methods of curriculum delivery
- Map Unit Plans and GTMTJ to ensure all achievement standards are being assessed and tracked for each year level for English, Mathematics and Science
- Implement a systematic approach to curriculum delivery
- Implement PBL as a whole school approach to managing behaviour

## Our initiatives include

- Reviewing School Strategic Plan (2018-2022) to identify areas requiring action
- Supporting teachers to consolidate their knowledge and understanding of the P-12 CARF
- Developing a whole school curriculum plan
- Developing a consistent approach to managing behaviour

## Our school will improve student outcomes by

- Purchasing TRS for every teacher to work with PATL on P-12 CARF (minimum 3 x a term)  
\$36 000
- Purchasing TRS for the PBL Team to work with the Coach on site (2 x per semester)  
\$6000
- Targeted PD for teachers / teacher-aides in PBL & Behaviour Management Strategies for SWD  
\$ 8800
